DETAILED ACTION

Allowable Subject Matter

1. Claims 1-26 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In accordance with the BPAI decision of 10/29/07, the closest prior art of record, Jung (4,775,936), "does not compare gathered past system-wide information unrelated to said particular perishable commodity and current reservation information, as called for in claims 1 and 14, and claims 2 and 15 depending therefrom." (page 8 of the 10/29/07 BPAI decision).

Claims 2-13 and 15-26 are dependent from claims 1 and 14 respectively, and therefore incorporate the allowable subject matter through dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
